Dear Sir/Madam,

I have been incredibly fortunate to have had the opportunity to teach Yusuf Azimov for the past year and it is for this reason that I wholeheartedly recommend him to you.

Yusuf has been a key member of my Year 5 class and a real asset to the school. He is an intellectual giant: brimming with curiosity, determined and ambitious. In other words, a joy to teach and someone who will take advantage of every challenge and opportunity that comes his way. He has been effortlessly top of the year in Maths and has developed into an empathetic and accurate writer. He is a voracious reader, which has enriched his writing and brought a depth to it, as well as to how he sees the world around him. He is a highly skilled scientist and has applied himself to all the creative projects we have undertaken this year.

Yusuf did not let the National Lockdown impact on his thirst for knowledge or his determination to learn. He applied himself exactly as I expected him to – with 100% effort! Yusuf will take advantage of all the societies and sports facilities on offer and will make an active contribution to the life of the school.

Please do not hesitate to contact me if you would like me to elaborate on his character further.

Best regards,

Jane Bunn
